

14th International Biennial Conference- Pakistan Society for Microbiology

(FIBC-PSM-2023)

Instructions for Oral Presentation

- Oral presentations are 10 minutes each. You will have 1 minute for the introduction and rest of the time for further presentation.
- We will provide a computer and LCD for your presentation.
- Please prepare your presentation file with Power Point in “Power Point 97-2003 Presentation (*.ppt)” format

Your slides in the Presentation:

- The template of slides has been attached with the email. Please use this template to prepare your presentation.
- Be sure that the PowerPoint slides have the same layout as provided all way throughout.
- Graphs and figures are often better than tables for an oral presentation. Flow charts are very appropriate to describe material.
- Please note the format and background of 1st two slides should be same as in provided template while the next slides should have white background.
- **IMPORTANT:** For seamless proceedings, please submit your presentation to psmconf2023@gmail.com by October 30, 2023.
